

Where'd I Go?

Contributed by Aeris
Sunday, 31 January 2010

Mommy was doing homework and I thought she needed a laugh...so I took went in the living room, got her quilt and brought it back into my playroom...then I put it over my head and very innocently said, "Where'd I go?"Â Mommy laughed so hard that I started to giggle too.Â I think that's how she found me.Â Hee hee!
